EXPERIENCE

December 2020 – February 2022: Student Research Assistant

- Selected as 1 of the research assistants to Associate Professor Dr. Prapart Pintobtang and Assistant Professor Dr. Boonlert Visetpricha
- Participated in the year-long research project "The Poor, the Changing City in the Changing Urban Society: Case Studies of Bangkok Communities," proposed to the National Research Council of Thailand (NRCT)
- Liaised and collaborated with the Four Regions Slum Network, the City Project, and the Community Committees
- Assisted in creating surveys and conducting interviews in-person to explore perspectives
- Conducted field research using participant observation and created a community map of Talat Noi in Bangkok's Chinatown
- Performed literature searches, data collection, and data analysis

June – August 2021: Assistant Chief District Officer Intern

- Assisted with Phayuha Khiri District Administration Office duties assigned by the officers in the Registration and Identification Card Section, Security Affairs Section, Justice Enhancement Section, Governing Section, Administration Section, and General Administration Section
- Job shadowed the Chief District and the Provincial Governor
- Analyzed and implemented new solutions for the Phayuha Khiri District Development Strategy
- Addressed the spread of COVID-19 information in the area and distributed survival kits to COVID-19 patients during home isolation

August 2021 - April 2022: Database Administrator

- Managed the data in the Local Shop Near Me Project to raise awareness about the domination of capitalist convenience stores, especially during the pandemic when many of these locally-run stores have been immensely affected
- Collected the data through a crowdsourcing platform and conducted the interview with local stores in each district of Bangkok
- Created a local shop locator using Google Maps Platform that helps the customer find the nearest local convenience store

January 2019 - August 2020: Private Tutor

- Taught high school students in the areas of Social Studies, Thai, and English to help them prepare for entrance exams

Recent graduate with extensive knowledge of politics and public policy. A self-motivated, well-organized, and prepared individual with critical thinking skill and research skill. Equipped with excellent communication and interpersonal skills in establishing positive relationships with individuals of diverse backgrounds.
