WORK EXPERIENCE

Plan and Policy Analyst | Department of Disease Control
August 2018 – Present

Collected and analyzed the relationships domestically and internationally between strategies & government policies, economy, political & social situations. Managed to set the guidelines for coordinating strategies and policies together with following-up and evaluation to be consistent in the same direction.

Coordinated with both internal and external associates to provide information and facts related to specific persons or agencies. Ensured that the details were clearly understood and cooperated in the operations as assigned appropriately.

Gathered information to disseminate and transfer knowledge, provide advice, suggestions, respond to questions and clarify various matters related to policies and plans to solve operational problems.

Awarded for the Best staff of the month (issued on April 2022)
